Exam Guidance:

- During the examination period you are only required to attend school for timetabled exams. **However, you are not permitted to leave school between exams;** this means that if you have an exam in the morning and another later in the day, you must remain in school to study. However if you only have an exam in a later session you only need to come in for that exam.
- If you wish to study in school, the library is available for revision. However, you may also be directed to the Assembly Hall for revision between exams.
- All exams begin **at the start** of the session. Please arrive promptly for all your exams.
- You may use the Assembly Hall at break time.
- Lunch is available every day in the Dining Hall.
- If an exam is scheduled for two or more rooms the classes assigned to each room will be posted outside Private Study, the Gym and on the pupil noticeboard the morning of the exam.
- Mr. Cunningham will confirm any access arrangements that have been put in place (extra time, etc.) before the exam period begins.
- All mobile devices and smart watches should be turned off and left in your schoolbag.
- Schoolbags should be safely stored before entering large exam rooms such as the Gym and Private Study, or left at the front when taking exams in smaller rooms.
- Only see-through pencil cases are permitted on desks.

Exam Clashes and Missed Exams:

If you miss an exam or experience a scheduling clash, you should sit the affected paper during the next available exam session that you can attend. In the event of a clash, please sit the longest exam in the correct slot.
